Exalted Ruler's Message

Members All . . .

Fall is here with all the trees turning their beautiful colors. It has been a hectic couple weeks at the lodge, in late August we had some serious water damage after a heavy rain which impacted our kitchen, womens restroom and sitting area at our lodge roof. We are so grateful to everyone who's volunteered their time to help us get the lodge operational during this time and thanks to ServiceMaster for their quick response to help contain the damage! I want to thank everyone for being patience during our initial clean up and, since then, as we work to return to "normal" which will take some time.

September has been a very rewarding month for me as an Elk. I'd like to congratulate Stephanie Riegelman on her awesome job on her first district-wide meeting as our Metro District Deputy. She made us proud. The next day, our lodge held a great Hawaiian luau party for some local special needs adults. So much laughter and smiles having fun playing bean bags and other games. A few days later, we welcomed 4 more new members to our lodge.

Please welcome our new bartender, Kurt Huffman. Come on down and have him make your favorite drink.

Finally, please keep one of our lodge officers Mike Anderson in our thoughts and prayers as he recovers from a motorcycle accident. If any of the members would like to give him a call to see if he needs anything that would be great. His cell is 651-764-4235.

Thank you to all of our members for continuing to support our lodge and thank you SO MUCH to the many volunteers that make everything possible!

Patsy Nesteby,
Exalted Ruler

RW Elks Business Update:

We've received a few requests from members to provide a brief update on our business year to date. While income has not returned to pre-COVID levels, our financials are looking relatively strong.

Liquor sales are about 14% ahead of last year thru August's month end however food sales are about 15% behind 2021 YTD. River City Days income was about 15% less than in 2021 due primarily to a decline in sales on Saturday with rain and the threat of storms. Having music later into the evening on Sunday did help recover some of the lost revenue from a slow day on Saturday. Funds raised from Parking also contribute to our overall income from this event. We're incredibly grateful to all of the volunteers that help make this fundraiser possible for our lodge!

Not all members may realize that we also have 4 apartment rentals upstairs plus another space rented by AA. So far this year, our rental income is right on budget while expenses to maintain the properties have been well controlled due to the efforts of our manager and trustees.

Overall, we've weathered the summer months fairly well and are well positioned as we head into our busy season. The club's calendar is booked most weekends through the end of the year with various events. While we continue to manage our expenses carefully, things pop up with an old building and aging equipment. We're hopeful that the recent water damage will be mostly covered by insurance.

Thank you for your continued support of our lodge!!

Welcome New Members of 845!

From our Secretary . . .

I hope you've had a wonderful summer and now are ready for some beautiful fall weather before the dreaded long winter arrives. So many of you, including myself had a very busy summer schedule that maybe didn't include stopping into the Lodge quite as much. Now's the time to enjoy the fall events we have planned. Check out the newsletters for information on many activities you can enjoy!
